Miss Mary Carpenter Declares She's Like Herself Again Since Giving Tan-lac a Trial.

ENERGY RETURNS AFTER TRYING NEW MEDICINE

Hopes Others Bothered as She Was Will Take Premier Preparation—Tired Feeling is Banished.

"The tired, worn out feeling, I experienced constantly for a long time has been banished completely since I've tried Tan-lac and I'm feeling fine now," Miss Mary Carpenter, well known South Bend young woman who lives at 1245 Van Buren street, told the Tan-lac Man on October 25. "My stomach was out of order, indigestion was bothering me," Miss Carpenter continued. "My appetite was very poor and about everything I ate disagreed with me, causing me a full feeling in the pit of the stomach. It was a dreadfully uncomfortable feeling. I felt weak and worn out most of the time and I'd get up in mornings feeling tired and draggy. A good friend told me about Tan-lac and prevailed on me so strongly to give this medicine a trial that I decided to do so. I've taken two bottles of Tan-lac now and I must say that Tan-lac has put a lot of pep and new life in me. I have a splendid appetite now and although I eat as heartily as I desire all my food is properly digested now and I'm not bothered with the full feeling in the pit of my stomach that I experienced before taking Tan-lac. The tired worn out feeling is a thing of the past now and I get up in mornings feeling just fine."

"Tan-lac certainly has benefited me. It has made me feel like myself again and I'm very grateful for what it has done for me. I recommend it to all who complain as I did."

"Since my arrival in South Bend countless cases, exactly like that of Miss Carpenter, have come under my observation," the Tan-lac Man, who is meeting the public at the Public drug store, said yesterday. "I am convinced that there are hundreds of people in South Bend and vicinity who will notice a remarkable change in condition if they will give Tan-lac a trial. As in the case of Miss Carpenter, Tan-lac quickly banishes the tired, lifeless, worn out feeling that is so prevalent and supplies new energy and vigor."

Tan-lac is now being introduced in South Bend at the Public drug store where a special Tan-lac representative is explaining the new medicine to the public daily.—Adv.

WOMAN A PHYSICAL WRECK

Tells in Following Letter How She Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Milwaukee, Wis.—"Before taking Lydia E. Pinkham's Vegetable Compound I was a physical wreck. I had been going to a doctor for several years but he did me no good. A friend told me about Lydia E. Pinkham's Vegetable Compound, so I decided to give it a fair trial, and it gave me relief from all my troubles which had been so bad that I would have to lie down. I also used the Sanative Wash and it has done me a great deal of good, and I am not troubled with a weakness any more."—Mrs. P. L. Brill, 1239 Booth Street, Milwaukee, Wis.

The most successful remedy for woman's ills is Lydia E. Pinkham's Vegetable Compound. It has stood the test for forty years, which would be impossible if it did not have genuine merit.

For special advice, free, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.—Adv.
